Olga Nawoja Tokarczuk

- She was born 29 January 1962 is a Polish writer. She is one of the most critically acclaimed and successful authors of her generation in Poland; in 2019, she was awarded the 2018 Nobel Prize in Literature as the first Polish female prose writer. For her novel *Flights*, Tokarczuk has been awarded the 2018 Man Booker International Prize. Tokarczuk is noted for the mythical tone of her writing. A clinical psychologist from the University of Warsaw, she has published a collection of poems, several novels, as well as other books with shorter prose works. For *Flights* and *The Books of Jacob*, she won the Nike Awards, Poland's top literary prize.

War life

- Later she acquired her aircraft pilot's license, and in July 1942, she joined the Air Transport Auxiliary. With the rank of *Second Officer* she flew unarmed military aircraft in the skies of wartime Britain and was, with Anna Leska and the Lithuanian-Pole Barbara Wojtulanis, one of several Polish women who served as wartime ferry pilots in Britain.
